

## About The ALBA Group

The ALBA Group, one of the leading recycling and environmental services companies as well as raw material providers worldwide, operates with its two brands – ALBA and Interseroh – within Germany, Europa and Asia. In 2019 its divisions generated an annual turnover of 2.0 billion Euros and employed a staff of approx. 8,800 employees. In 2018 alone, the ALBA Group saved 4.4 million tonnes of greenhouse gases compared to primary production and at the same time 31.9 million tonnes of primary raw materials through its recycling activities.

The ALBA Group, formed in 1968, has a demonstrated track record in operating Producer Responsibility Schemes in countries such as Germany and Hong Kong. With its local presence and technology expertise, the ALBA Group has been appointed by NEA to be the Public Waste Collector for the Jurong Sector since 1 April 2020, and E-Waste PRS operator for Singapore since 1 July 2021.

## Sustainability is our main responsibility

The ALBA Group is a one-stop service provider with the target of "closing the loop" in the most socially responsible and environmentally sustainable manner.

At ALBA Group, we also focus on enhancing environmental standards through proper recycling, safe removal of hazardous substances, and ensuring maximum recovery of resources that make their way into the production as secondary raw materials.

Treasure raw materials.

## Singapore's E-Waste Collection & Recycling Program

# Singapore's first E-Waste Producer Responsibility Scheme operator

ALBA Group Plc & Co.KG has been appointed by the National Environment Agency (NEA) as the Producer Responsibility Scheme (PRS) Operator for electrical and electronic waste (E-Waste).

The appointment of the PRS Operator, ALBA E-Waste Smart Recycling Pte Ltd, the local ALBA entity, is an integral part of Singapore's Extended Producer Responsibility (EPR) scheme for E-Waste management. ALBA E-Waste will collect regulated consumer E-Waste across Singapore for proper treatment and recycling for a period of 5 years, from 1 July 2021 to 30 June 2026.

ALBA E-Waste will set up a variety of E-Waste collection avenues so that the public and businesses can conveniently drop off their E-Waste for recycling. These collection avenues will include E-Waste receptacles in public areas, scheduled collection drives, and ad-hoc doorstep collection services. All E-Waste collected by ALBA will be sent to licensed E-Waste recyclers.

## Our licensed recyclers

The E-Waste collected are sorted and weighed at our Logistics and Sorting Hub and is sent to licensed qualified recyclers. Information & Communications Technology (ICT) equipment like laptops, tablets and mobile telephones are sent to recyclers with data sanitisation capabilities. Our recyclers ensure that the processes meet the environmental and health, and safety standards, have proper technical recycling capabilities, to ensure recovery of secondary raw materials.

## Regulated E-Waste under the program

COMPUTER  
& LAPTOP

MOBILE  
& TABLET

PRINTER

TV & DESKTOP  
MONITOR

HOUSEHOLD  
BATTERY

NETWORK &  
SET-TOP BOX

CONSUMER  
LAMP (BULB)

CONSUMER LAMP  
(FLUORESCENT TUBE)

E-MOBILITY  
DEVICE

REFRIGERATOR

AIR-  
CONDITIONER

WASHING MACHINE  
& DRYER

ICT equipment can be disposed of together with their embedded batteries as well as any cables, adaptors, remote controls, keyboards used with the product.

Note: We do not accept non-regulated E-Waste not mentioned in the list above.

more information.

## Collection programs

### ✓ Drop-off Locations

ALBA E-Waste has deployed over 550 E-Bins across Singapore, dedicated to collect a wide variety of E-Waste from batteries to consumer computers.

- ICT, Bulb, Battery Bin
- Battery & Bulb Bin
- Battery only Bin
- Depot Drop-off

### ✓ Drop-off at Collection Events

In conjunction with the Town Councils, quarterly collection drives are organised in the estates. Besides the regular collection drives at estates, we also organize special events throughout the year.

- Collection Drive
- Collection Events

### ✓ Doorstep Collection

Staying home? Have your E-Waste picked up at your convenience for a nominal fee. You can contact us and arrange for a doorstep collection. Costs vary depending on the type of regulated E-Waste.

### ✓ Retailer Take-Back Scheme

From 1 July 2021, as stipulated by the Resource Sustainability Act, all retailers must provide one-for-one take back of the consumer's old regulated consumer product (of the same class or type as the supplied product) at no cost, upon delivery of a new product.

### ✓ HDB & Condo Bulky Removal Service

As easy as picking up your phone! For the removal of bulky E-Waste, please contact your local town council to arrange collection. ALBA E-Waste will then work with the respective town councils to collect and transport the E-Waste for recycling.
